

BERA E-NEWSLETTER 15th March 2020 – www.bera.co.uk
(printable version of Newsletter is available soon on website if needed)

Dear Members

Although at the moment, there have been a few confirmed cases in Southend of the Covid-19 virus and after e-mail exchanges with committee members and discussions with the Council's Medical Director, the safest route is to cancel the coffee mornings until further notice and the AGM on the 23rd March. BERA's accounts and minutes from last years AGM will be published on our web-site.

This is only a precaution, but as we know a large number of people living in our area are elderly and it is felt that we should not take unnecessary risks with peoples health.

One final thought, please look out for your neighbours and if possible, ask for their telephone numbers and give them regular calls to see if they are okay and need anything.

Regards Ron Woodley

Chair, BERA
