

BERA E-Newsletter 22nd May 2018

We have just received the published outcome of the public consultation on the Sustainable Transformation plans which we thought you may be interested to read. Please bear in mind it is 199 pages.

Mid and South Essex Sustainability & Transformation Partnership (STP)

The Mid and South Essex Sustainability & Transformation Partnership (STP) has now published the outcome report for the public consultation 'Your Care in the Best Place'. Feedback from the consultation was independently collected and analysed by The Campaign Company, which has also written the report (see attached).

The following media release published by the STP team is on this link:-
