As you can see there has been an increase in car crime so we recommend you lock your cars carefully, leaving nothing of value either on show or in the car. Any crimes of this nature should be reported to the police.

## **2. Green bins**

We also seem to have a problem with green bins being stolen if they are left at the front of the property overnight following collection. If this happens to you please report it to the police.

## **3. Jack up rig in Estuary**

Many of you have asked about the structure in the Estuary. We found out that it is a jack-up barge sitting in one of our big ship anchorages – not undertaking any operations, simply awaiting a free berth in Tilbury Dock.
