**7. Lost and Found**

One of our members has recently lost an artificial bay tree in a pot, approximately 4 feet tall, from beside their front door. The other one has been left in place so hopefully it was taken as a joke. If you hear of one appearing somewhere strange or it has been put in your front garden, could you please let us know on [ronwoodley@hotmail.co.uk](mailto:ronwoodley@hotmail.co.uk).

If you have lost or found anything and you think it would be useful for us to put it in our newsletter please contact [ronwoodley@hotmail.co.uk](mailto:ronwoodley@hotmail.co.uk).
