

## **Southend on Sea Post Office**

A decision has been made to relocate the Post Office to the WH Smith store at 207 High Street, Southend-on-Sea, SS1 1LN. The branch would continue to be run and staffed by Post Office Ltd with the existing branch team, from within the WHSmith store.

The current branch will close at 17:30 on Wednesday 22 March 2017, with the new branch opening at 09:00 on Thursday 23 March, 2017. The opening hours will be 09:00-17:30 on Monday, Wednesday, Thursday, Friday and Saturday, and 09:30-17:30 on Tuesday.

## **Vandalism**

We have received two reports of vandalism to cars in the Bournes Green area where the back windscreen has been smashed. We would urge you to report any suspicious activity you may see to the police and make sure you lock your car and leave nothing of value on show.

Also, one of the cricket pavilions in Southchurch Park was broken into and vandalised. We have managed to get the police involved, with their forensic team, and hopefully this will lead to the arrest of the two young culprits, who were spotted leaving the scene.

## **News from C2C**

Thank you to everyone who was able to join us for the debut run of our brand-new Class 387 train on Friday. I am pleased to say the first train subsequently entered passenger service on Monday morning; even more importantly this enabled us to lengthen three other trains in each peak and to provide more seats.

Our new timetable for January is now available online, along with a simple tool that allows you to check your current departure and what may change, if anything. You can find this information here: <http://www.c2c-online.co.uk/travelling-with-us/timetables-and-trains/new-timetable-9-january-2017/>
